Crew survey - internal

Year to date · All lines

Crew say they are happy.

We are hearing from too few to be sure.

7 answers this year, 4 of them the same number to every statement. Read the scores as a floor check, not a measure, until there are 20 answers. The words say more.

People to call

Nobody to call: no answer has 3 statements at 1-2 or would not return. Closest: Andrea Joyce M. Calayag, Navigator of the Seas (Systems, SOPs & workflows 3; 7 at 4).

A cell with fewer than 3 answers stays grey: one person cannot paint a whole line.
